Lliswerry Baptist Church

Lliswerry Baptist Church: *In Christ Alone.*

We are a friendly, evangelical, family church whose aim is to serve Jesus in our lives, in the local community and beyond. Our goal is to be Christ centred, Bible based, Mission focused and Spirit led.

Our congregation comprises a cross-section of ages, backgrounds and life situations. We have 125 church members and an average morning worship attendance of 120, with 60 attending the evening service. We mainly use contemporary worship songs as well as some traditional hymns.

At Lliswerry we recognise that worship is more than just what we do on a Sunday; it is a lifestyle. We seek to worship God by studying his Word, Prayer and living out the Gospel. We aim to achieve this in various ways from our Sunday services and Home groups to our youth work and outreach events.

As a church, we are committed to mission. As well as supporting various missionary organisations, both prayerfully and financially, we also play an active role in several local initiatives.

We are seeking to appoint an experienced Senior Pastor who will bring visionary leadership, inspiring Bible teaching, have a heart for evangelism and an ability to relate to people of all ages and walks of life. We are seeking *God's choice* of leader.
