The Unexpected Gift

You may have seen from some of our Christmas publicity that the title for our Christmas Eve service is 'The unexpected gift.' At Christmas we receive some gifts which we may have been expecting, sometimes gifts that we may not be surprised at, but also some gifts which take us completely by surprise. It has been said many times, that

Jesus was not what people were expecting. The prophecies which had been given suggested someone coming to be the saviour of God's people and it is fair to say many would have had their own ideas about what saving God's people would look like.

We read in Isaiah 9:6 - *For to us a child is born, to us a son is given, and the government will be on his shoulders. And he will be called Wonderful Counsellor, Mighty God, Everlasting Father, Prince of Peace. For a child is born to us, a son is given to us. The government will rest on his shoulders.* These words perhaps suggest someone who would become a ruler of the nations. Currently in our own nation there is a lot of uncertainty and people making promises. This nation has a sense of fear about the future and there are a lot of questions and doubts about who we can trust. This question is asked a lot – what can we expect from a leader?

Jesus came into this world in an unexpected way to complete God's plan in an unexpected way. Whatever the future may hold for our nation, whatever uncertainty there may be, we have that assurance in one we can trust. Jesus may have been the unexpected gift and the unexpected king, but he would go on to be the greatest king we could have had.

God bless,
Chris
